

MONTE VELHO Rosé

Rosé Wine 2020

Regional Alentejano

Concept: A wine for every occasion. Featuring a balanced and gastronomic profile, this wine showcases the best aromas and flavours of Alentejo grapes.

Harvest: Temperatures in 2020 were slightly higher than the average of the last 21 years, while rainfall was identical to the values recorded in the same period. Winter and spring were mild and rainy, allowing a healthy replenishment of the vines' water reserves, which resulted in good vegetative growth compared with 2019. The summer was very hot and dry, presenting extremely high temperatures in July and leading us to begin the harvest around 2 weeks earlier than in 2019. The weather conditions in the veraison phase led to gradual ripening, which enabled a selective harvest that favoured the expression and quality of each grape variety.

Agriculture: Soil Type: granite/schist origin with clay/loam structure. Average Vine Age: 18 years.

Grape Varieties: Touriga Nacional, Aragonez, Tinta Caiada, Syrah, Trincadeira & others

Vinification: Destemming, must chilling, brief skin maceration, pressing, temperature-controlled fermentation in stainless steel tanks, centrifugation, stabilisation and filtration.

Bottled: January 2021

Technical Information:

Alcohol / Volume: 12.5%

Total Acidity: 6.95 g/l

PH: 3.32

Reducing Sugar: 1.50 g/l

Format: 750ml.

Colour: Limpid, salmon colour.

Aroma: Notes of fresh red berries, pomegranate and raspberries, some green tea and vegetable touches.

Palate: Intense, fresh and elegant, with a persistent and balanced finish.
